CALIFORNIA CREAMIN'

photography by teencyberbabes

Age: 18
Height: 5-3
Weight: 110 pounds
34B-24-34
Hometown: Santa Ana, CA

Hey! It's me, Lindsey. Skylynn is, like, the perfect California girl, isn't she? Blond hair, big ol' sunny smile, blue eyes. She even has the perfect California name!

"My mom says when I opened my eyes, right after I was born, they were the exact color of the sky over the ocean," reveals Skylynn. "She's kind of New Age-y."

Currently Skylynn is working at a supermarket and going to college part-time, but she has big plans: "I want to win Miss Orange County, I want to be a famous actress, and I want to totally turn on the BARELY LEGAL readers!"

One down, two to go!

Did you like posing nude? Yes! I touch myself, and it makes me hot.

What part of your body do you consider your best? My ass—it's tight and plump.

Do you enjoy exposing yourself in public? Not public—just houses with people.

Do you wear panties? Sometimes.

How often do you masturbate? Three times a week.

What method? Rubbing my clit.

"I hate/like/love giving head." Hate. I'm still getting used to it. I *want* to like it.

"I hate/like/love receiving cunnilingus." What is that??

What's your favorite sexual position? On top.

How do you like to be fucked? Slow, then fast.

"I hate/like/love anal sex." Never had it.

Where do you like a guy to come? In the shower! :)

Are you bisexual? No.

Have you ever had sex in public? Yes, in a pool at night, and we got kicked out.

Ever had more than one lover at once? No. I had a lover, but then a boyfriend.

Have you ever fucked a stranger? No.

What is the sluttiest thing you've ever done? I had sex in an alley (at night).

What kind of men do you like? Tall, dark and handsome (Geminis).

What kind of women? Skinny, nice, smart.

What's the best way for a man to pick you up? Tell me he knows my brothers.

Describe your ultimate sexual fantasy: Rose petals, candles, lotsa love. ★

PANTY CONTEST WINNER

Announcing the winner of BARELY LEGAL's September 2006 Panty Giveaway Contest: Mr. Nick Bennett of Colorado. We BL editors were super impressed by Mr. Bennett's sincere but sizzling entry and will be shipping Ceara's sweet undies to him today! Check out his winning letter below. And remember to enter this month's contests to win the panties of Skylynn (page 11) or Krista (page 81).

Dear BARELY LEGAL,
As I write this, I'm gazing upon a picture of the TOTAL PACKAGE that is Ceara!! Dreamy, dark brown eyes; pillowy-soft-looking lips; beautiful 36B breasts with nipples that seem to stand out waiting to be sucked and licked; a big, beautiful ass that deserves all the attention any lover of hers can give it; and last BUT NOT least a pussy that should be licked and tongue-fucked and a clit that needs flicking, teasing and sucking. It makes my mouth water!!

Which brings me to WHY I want to win her panties. Realistically, I know I'll never get the privilege of satisfying this delicious hottie orally (I love to give more than receive!), so if she were to masturbate intensely then wipe that sweet nectar all over the inside of those panties, so I could at least smell what I'm missing, I'd be happy.

After that they will be sealed up. A copy of the picture from BL with her holding her pussy lips open, framed, and the panties attached, hanging on the wall as a daily reminder, would REALLY make my days, weeks, months.

CEARA, YOU'RE HOTTER THAN A FOUR-ALARM FIRE!!

Love ya,
Nick Bennett

Dear BARELY LEGAL,
I hate it when a girl who is posing for your magazine spreads her cunt lips! I don't want to see the *insides* of a girl! I think cunt lips are pretty, but only when tightly *closed*!

Here is my favorite body type: 5-2 to 5-7, slender build, small tits with big nipples, a *big* pubic bush (all that she can grow, *no trimming*!), big behind (not grotesque), pretty and/or beautiful face (especially eyes—femininity *must* show very strongly in the *eyes*!).

I don't like freckles! I don't like makeup! I don't like pimples. I like a girl's face to be *naturally* smooth and clear. She can have *one* mole on her face, but it has to be the kind that is the same color as the rest of her face, and it can only be in the center of her left or right cheek. Dark moles anywhere on her *body* are okay.

I don't like to see any cocks in your magazine at all! Also, I detest tattoos and body or facial piercings on girls or guys, but mainly on girls.

Sincerely,
L. P.
California

Thank you, L. P. That's, like, the most specific feedback I ever read. It definitely gives me some ideas—but I don't know about that "closed pussy lips" rule. I think most readers like to see a little spreading. How about it, guys? What do you think of pink? Let me know! ***—Lindsey***

Dear Lindsey,
Good morrow. I received my July 2006 issue just last week. I like the direction that BARELY LEGAL is going, with the new additions. The reason I'm writing today, though, is that on page 130, *Next*

Month in BARELY LEGAL, I found Kara Lynn's photo so impressive that I can't wait for my August issue to see more of Kara Lynn. WOW!!! Please, tell Kara that I am honored to be graced by her natural beauty and look forward to reading her words of wisdom in the August issue.

Sincerely,
C. N.
Oregon

Wow! No one has ever written in about our back page before! Kara Lynn must be even cuter than I thought if she gets a letter about one small photo. At the risk of giving her a total swelled head, what did you think of Kara Lynn's layout, C. N.?

—Lindsey

Dear BARELY LEGAL,
After leafing through your August 2006 issue, I just had to convey my specific thoughts by mail. (No doubt not the sort of mail you usually receive.)

Particularly notable to me was the pictorial of Allison—she looks truly awesome. (SIGH!) I can only imagine how fascinating and enchanting she is in person, hence the enclosed lines I was inspired to compose.

Also notable to me was the pictorial of Kara Lynn—quite awesome as well, but in her own unique and different ways. I was also moved to write some heartfelt lines regarding her.

I have no doubt that somehow meeting (or even merely communicating with) either of the lovely young women would be a thoroughly unforgettable experience, honor and delight.

I gaze wistfully at the faces in the photographs and wonder about the personalities which lie beyond the scope of what the camera can capture.

'Twas ever and 'twill ever be thus.

Sincerely,
K. N.
Minnesota

K. N., your poems for Allison and Kara Lynn are so incredibly beautiful! I'll make sure the girls see them, 'cause they're kind of too long to reprint here. If you write such awesome poetry, I'm surprised you haven't entered one of our panty giveaway contests!

—Lindsey

Dear BARELY LEGAL,
Why don't you interview your models about their masturbation habits—when, where and HOW? That would be more interesting than details about boyfriends.

Sincerely,
Tony
Florida

Awesome suggestion, Tony! I mean, I'd like to know these things. Maybe I can pick up some tips! :) Anyway, Skylynn, Nautica, Suki, Krista and Erica all spill the diddle beans for you in this issue. ***—Lindsey***

Dear BARELY LEGAL,
I just bought your Anniversary 2006 issue the other day. I never heard of your magazine before. One of my favorite adult magazines is HUSTLER. I have always been a huge fan of adult magazines that have photos of sweet, hot, legal-teen women in them. Your magazine rocks.

I am mesmerized by Stella. She is perfect in all aspects. How did you guys get Stella to pose nude in your magazine? I want to spank her luscious ass.

Also, I was wondering, have you, Lindsey, ever posed nude in BARELY LEGAL before? If so, which issues?

Keep the sexy women coming always, okay, Lindsey baby?

Peace and love,
John
Michigan

Yes, John, I did have my own layouts! Thanks for asking! (Sometimes I feel so ancient and not cute around all these hottie 18-year-olds.) I was in BARELY LEGAL October 2002, March 2003 and August 2003. You can order back issues by sending a check or money order for $12 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept.

Oh, yeah—how did we get Stella to pose? She asked to pose. She's pretty proud of her boobs. I would be, too.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Okay—I want you to hold this issue in your hands. Lift it up. Now lower it. Lift. And lower. Can you feel it? That extra weight? Those *16 extra pages*? Get used to it, 'cause BARELY LEGAL is now permanently supersized!

You guys, when Mr. Flynt said to add 16 pages to BARELY LEGAL, I almost peed my pants from excitement. I was like, "Now I can give the readers all the stuff they ask me for but I never had room!"

First of all? A jumbo *BARELY LEGAL Slumber Party*! You wanted more pics of our adorable amateur models, and you got 'em!

Next we have our new monthly first-person, true-life confessions of an actual barely legal girl. 'Cause like you always tell me, personality is just as important as pussy. (But don't worry, there's still plenty of puss, too!)

And the best thing ever: longer photo layouts! Meaning more photos of each girl! Because *every* girl is cute and deserves as many pics as possible.

Sixteen extra pages. I still can't believe it. *Omigod*, I better get moving on the next issue! Let me know what *you* want to see.

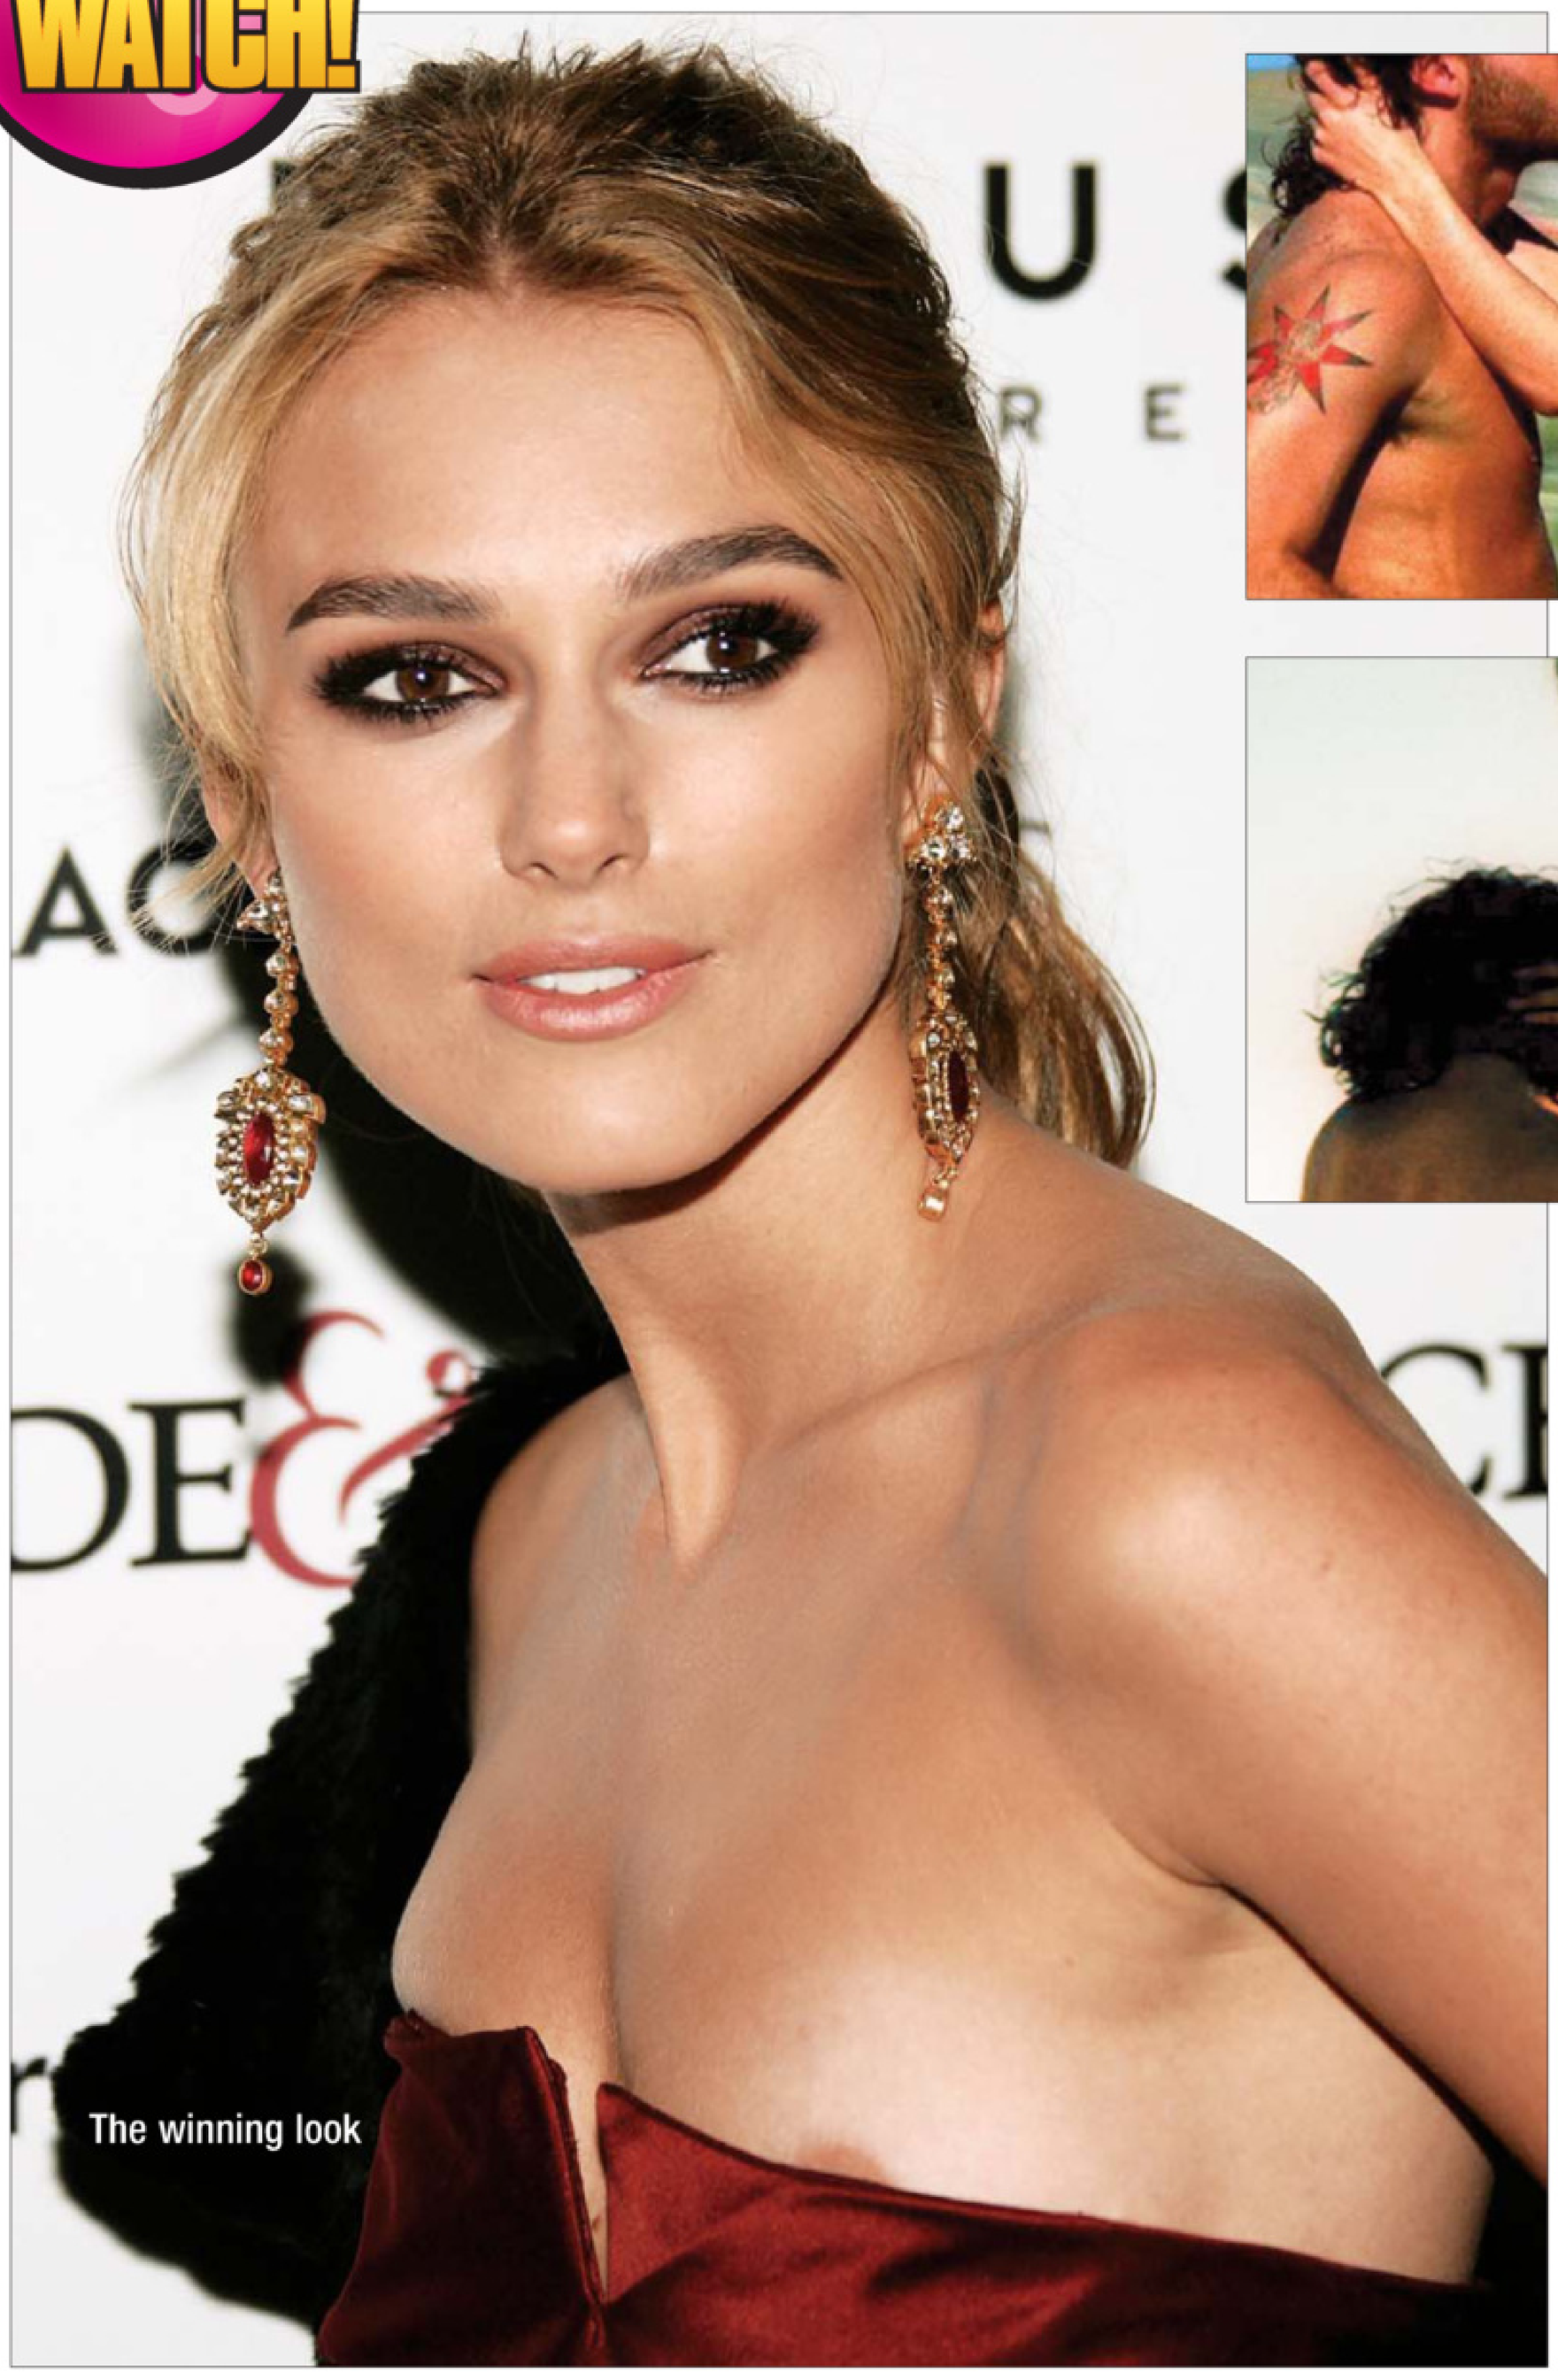
BOOB WATCH!

KEIRA KNIGHTLEY



The winning look

Domino

Courtesy mrskin.com

by sophie the intern

In a total surprise, titty-free Keira Knightley takes the lead this month in young celebrity boobies!

The British beanpole once confessed to a magazine, "I don't have any tits, so I can't show cleavage." So what's a flat-chested but fashion-conscious girl to do? *Hmm*—maybe let a little nip slip out? A simple yet elegant and HOTT solution!

'Course, *I* always knew Keira had it in her—I've seen her movie *Domino* (2005) *five* times. Rent it for yourself if you want to see some full-on mini-boob. *So* perky!

Keira's stunning victory should give hope to other tiny tops like Natalie Portman and the Olsen twins. Girls, you don't need D cups to be in BARELY LEGAL. Give us your A's!

DIANE LANE

BACK WHEN SHE WAS BARELY LEGAL

by megan the intern

Is Diane Lane real? Or is she some kind of, like, witch or goddess? 'Cause she started showing her awesome, naturally big boobies in movies over 20 years ago, and *they still look the same today*. Seriously, she's 41 years old, and her boobs look 18. My mom's only 36, and her titties look like two balloons at the end of a *looong* party.

Just check out these pics of Diane from barely legal age to now. She's *gotta* be guzzling some kind of magic potion. My guess? *Jizz*. I'm starting my new beauty regimen today!

JESSICA BIEL

Young Celeb Fantasy

Super-hottie Jessica Biel used to be on that corny TV drama called *7th Heaven* about a minister with like 18 kids—which means he was spending an awful lot of time having sex instead of praying, don't you think?

Anyway, Jessica apparently didn't want people thinking she was as holy as her show, so she posed semi-naked for some inferior men's magazine. But sorry—*semi*-sinful doesn't count. We won't believe Jessica is anything but a goody-goody until she *shows* her goodies. (Especially that ass—YOWZA).

Here, Jess—we hope you find our fantasy version of you...*inspirational.*

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

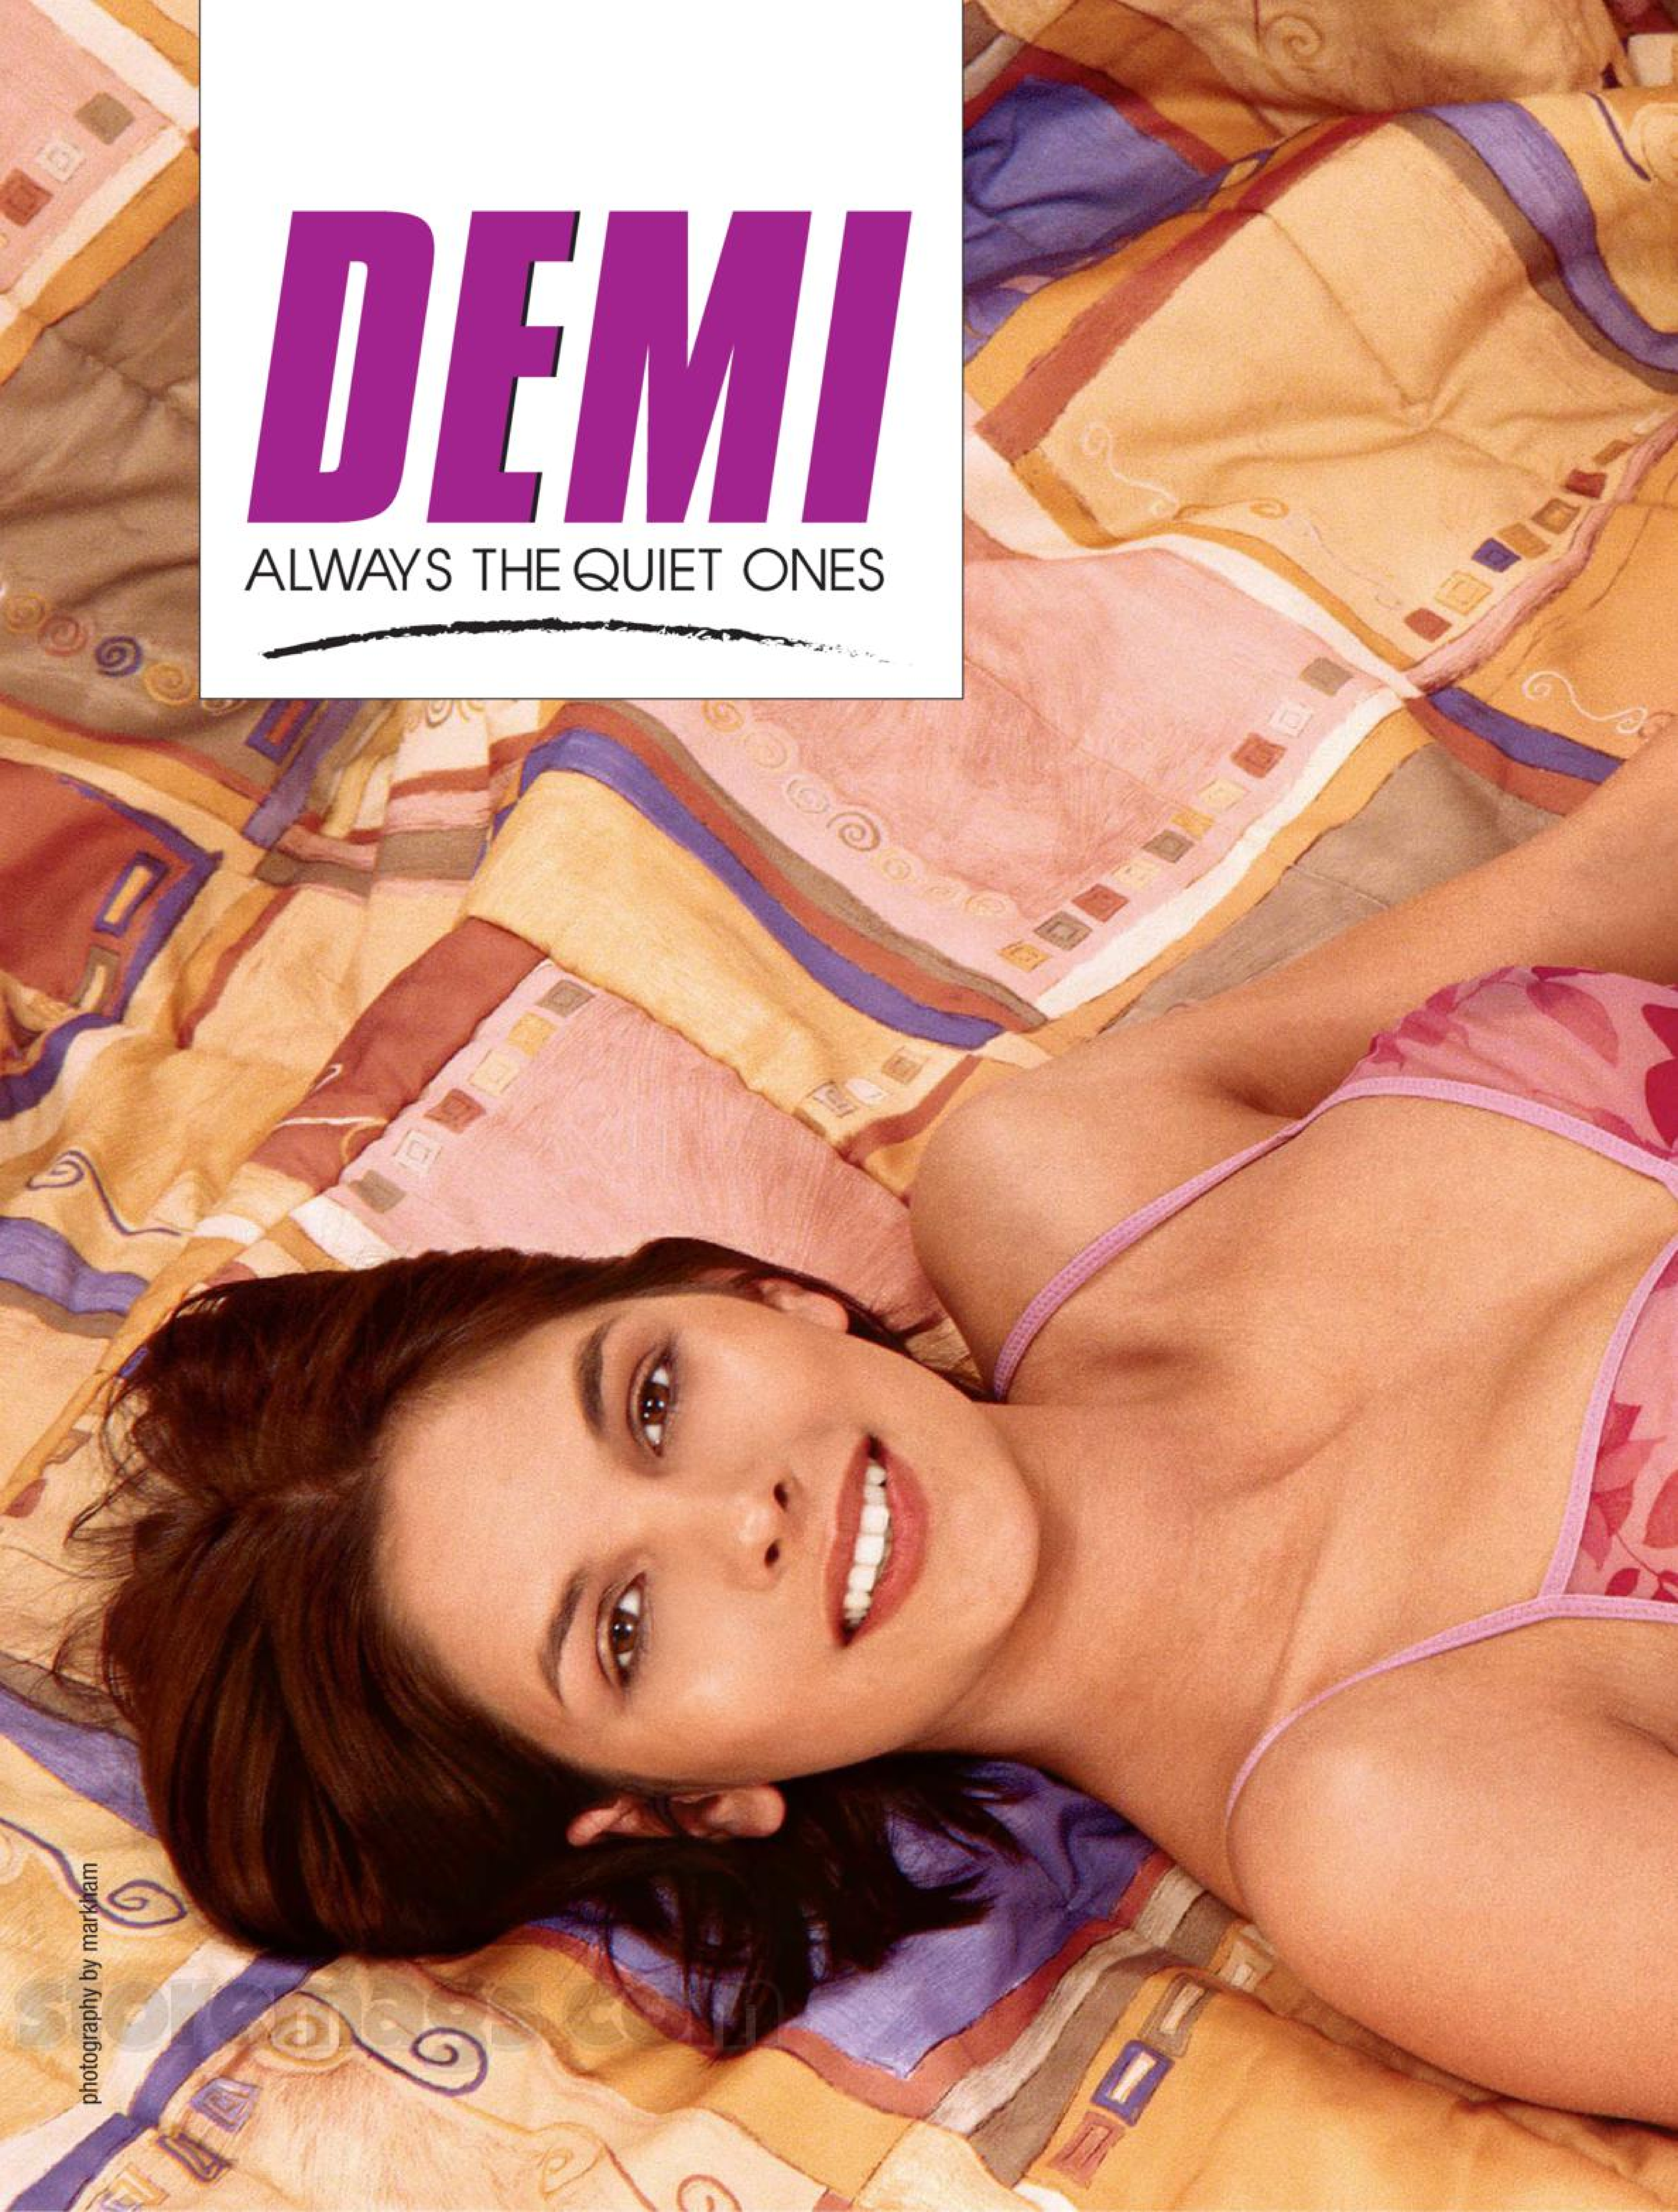
DEMI

ALWAYS THE QUIET ONES



photography by markham

Age: 19
Height: 5-5
Weight: 102 pounds
32B-20-30
Hometown: Ogden, UT

What's up? I'm Sophie the intern, and I'm here chilling with my girl Demi. She's kind of shy for a naked chick, but you can tell she had a lot of fun showing off her goodies. All I can say is, "Watch out, guys!" It's always the quiet ones who are the craziest in bed.

sophie: Hi, Demi. It's okay to take your top off. Go ahead and get comfortable.
demi: Okay, thanks.
sophie: You know, if you want to take your bottoms off and get wild or whatever, it's totally cool with me. I want you to be *completely* relaxed for our interview.
demi: What interview?
sophie: This one, silly! I'm going to ask you some personal questions, and you have to answer them truthfully, okay?
demi: Okay.
sophie: Swear?
demi: Pinkie swear.
sophie: First of all, who's your most embarrassing celebrity crush?
demi: Johnny Knoxville. He's *so* dirty, but in a way that makes me want to get dirty with him.
sophie: If it was legal to walk around topless, would you do it?
demi: I might try it. If it were legal, everyone would be doing it, so it wouldn't matter. No one would notice my little boobies.
sophie: What made you want to try nude modeling?
demi: It was always a fantasy of mine. I'm just a regular girl. I don't get hit on that much. So it's exciting to know I can turn guys on.
sophie: What do you do on a typical Saturday night?
demi: Well, I'm in college now, so I spend most nights studying. Saturday is the one night where, if there's a party or whatever, I'll go to it with my girlfriends. But trying to have intelligent conversations with drunken frat boys isn't my idea of a good time.
sophie: Have you ever hooked up with anyone at a party?
demi: Not a guy, no.
sophie: A girl? Remember—you pinkie swore!
demi: Yes! I admit it. I made out with this totally hot girl in my art history class, and we played with each other—down there!
sophie: Is that the wildest thing you've done in college?
demi: So far. I have hooked up with a couple guys, but nothing wild. Just a blowjob or whatever. It's not like I've been in a threesome or anything.
sophie: What's your wildest fantasy?
demi: Well, my ultimate fantasy—I would *never* do this in real life, but I like to think about it when I masturbate—is to have sex with a total stranger without even saying a word to him. No "Hi, my name is.... What's your major?" Just, *bam*! And we're on each other like monkeys.
sophie: Whoa! That's hot. I'll have to ask Lindsey if we can even print that!
demi: Well, if that's too dirty for you, I also fantasize about doing it in the snow. But I can't imagine doing that one, either. I'd freeze my butt off! ★

THE BOTTOM LINE

photography by e.i.p. studios

Age: 18
Height: 5-3
Weight: 105 pounds
34C-24-34
Hometown: Manhattan, KS

I'm sorry, I can't help having big boobs. That's just the way God made me. But I'm proudest of my butt, because I go to the gym *a lot* and work really hard to keep it all firm and everything. You'd think more guys would notice and compliment me, but it's like I *never* get hit on. Okay, this one time this guy was standing next to me in line for coffee when he *accidentally* touched my booty.

If he was just some kind of perv or something, I might be offended. But Mike was kinda cute for someone who's, like, my dad's age! I smiled at him, and we laughed it off and had coffee together. Mike wasn't a total animal, either. We totally waited until the second date before we did it.

But once we started doing it on a regular basis, I could tell Mike was totally into having butt sex. Can you imagine? I was like, Weird. But whatever. I'll do anything to make my man happy, even though Mike and I weren't, like, boyfriend and girlfriend.

The first time was actually pretty awesome. It was a completely new experience. It was like losing my virginity all over again. Also? Now when I take a purity test, I can check off the butt-sex question without having to fib!

I'm sorry, I know it's supposed to be a big no-no, but ladies, if you're not doing it up the butt, then you're not doing it right! I prefer doggy-style, because then the guy can slap my buns or grab me around the waist and do me really hard. Also? It's better to do it the shower, so you can get all clean before and afterward. Just because butt sex is totally dirty doesn't mean *you* have to be! ★

JOLIE

FOUR-GIES FOR ME!

Age: 18
Height: 5-4
Weight: 100 pounds
32A-22-30
Hometown: Hanover, NH

I've had it with threesomes! Someone always gets hurt. That's why it's nothing but four-gies for me from now on. I recently discovered the awesomeness of four-gies when my roommate Whitney and her boyfriend Cody wanted the dorm room all to themselves one night, but I wanted to hook up with Jordan, this hottie from down the hall. We couldn't do it in Jordan's room because *his* roomie Jason was having sex, like, 24/7 with his old high school girlfriend who came up to our school to visit.

The group-sex thing wasn't *too* awkward for me, because I've had sex with Whitney, like, a dozen times. And we've both had boys over when we *thought* the other one was sleeping. We all just wanted to have sex so bad, so it was like, Okay, let's go for it!

It started off with me and Jordan in my bed and Cody and Whit in hers. Whitney likes to scream her brains out, and I was trying to keep up! Jordan and I finished first, but watching Whitney and Cody do it got me and Jordan hot all over again. They were doing it doggy-style when Jordan and I came over to them. Whitney started giving my guy a BJ, so I decided to make out with *her* guy as he was doing her. It was crazy!

The best part is, no one got hurt or jealous or anything like that. Sure, my roommate slept with my crush, but I slept with her boyfriend—so we were totally even. And the guys had nothing to complain about. Whitney and I made sure of that! To think, in high school I was a virgin! It's amazing the things you learn in college. ★

"In high school
I was a virgin!"

TOO HOT FOR HIGH SCHOOL

how I became the coolest girl in class

• by phoebe brighton •

In July 2006, my life was great. I'd just finished junior year and was stoked on hanging out with my friends all summer and being generally happy. Then my dad announced that he'd been promoted at work and we were being transferred to Nashville, Tennessee.

First of all, I've lived in Oregon my entire life. Tennessee is another planet. At least that's what I thought at first. Forget that I was leaving all my friends and starting a new school as a senior, 18 years old, just in time to ruin what was supposed to be the best year of my life, *ever*. I didn't want to go, I kicked and screamed, but I couldn't exactly refuse because then I'd be all poor and homeless, so off we went to Tennessee.

The first thing I noticed about our new town was that the girls were, like, *perfect*. I mean, I thought Southerners were supposed to be all toothless and backwoodsy. *So* not the case. Everywhere I went I saw beautiful blondes with big boobs and white teeth. And black girls looking like teenage Beyoncés. And there I was, wandering into town with my hippie hair and old jeans with quilt patches on the knees, and everybody was eyeballing me like, *Who are you*?

I just wanted to start school and maybe turn into a nerd 'cause there was no way I would ever be popular anyway. September 4 I started school at Great High and, sure enough, the girls were all ready for *America's Next Top Model* and the boys were studs. I was just like, I guess I'll join the chess team.

No, I didn't *really* do that, but I did join the music club. I've played the saxophone since sixth grade, and I figured maybe hanging out with the weird kids who like folk rock and experimental jazz would be one way to make friends. I mean, there had to be cool freaky kids *somewhere*, even in Nashville. Well, it turns out I was right, because music club is where I met Liz, and she showed me that Tennessee is actually pretty trippy.

Liz plays violin. She's exactly one week older than me and she's beautiful and unique. She almost looks like Jewel, only 18, and without the annoying voice and weird teeth. Liz and I related immediately because she's chill and sews her own clothes and eats vegan only. She reminds me of my friends in the Pacific Northwest. Liz also rules because she opened my mind to my first lesbian experience, which has totally expanded me as a person, I think.

Liz and I had been hanging around for a couple of weeks, jamming, dreaming about starting a band. She asked me over to her house one Saturday. She has a basement suite all to herself. We sat on the shag rug and smoked weed, and then we started watching *Pants Off Dance Off* and laughing hysterically. She held my hand and looked at me funny.

At first I was like, "Dude, I really like you, but I'm not lez." And Liz was like, "It's cool. Neither

am I." Then she stuck her hand down my pants.

I'd never felt anything like the way Liz was touching me. She was barely stroking my pussy, light as a feather, not even sticking her fingers in, and I was, like, all melted and drooling. I flopped onto my back as she lifted my T-shirt and pulled down my jeans. She tickled my clit and tongued my nipples.

I moaned, clutching at the collar of her CALIFORNIA IS FOR LOVERS T-shirt. Her braless nipples strained through the thin fabric. I was dying to see her tits. She was making me feel totally dykey.

Liz has the most amazing boobs. Like, D cups that defy gravity, as round and firm as grapefruits, with rosy pink nips. I rubbed my face in her cleavage and inhaled her skin. She smelled like cinnamon.

"You've never licked a pussy?" Liz asked, squirming out of her cut-off cargo pants and waving her shaved coochie at me. I shook my head no. Liz pushed my thighs open and shoved her head between my legs. "Here, I'll show you some things."

I had often wondered what it would be like to have my pussy licked, only I'd imagined it with a guy. I thought it might be weird, like I'd be worried about how I tasted and what my cooch looked like, plus a guy might scratch me with his stubbly upper lip.

Being licked was way different than I thought, though—way better. Obviously Liz doesn't have stubble, but not just that. The way her tongue slid between my lips, swirled over my clit and prodded my hole felt amazing. So amazing that I became totally unself-conscious, like I knew my pussy was the best, it smelled fresh and tasted sweet and looked like a rose, and besides that I was the hottest girl in the world.

"Fuck, Liz," I panted. She hadn't been licking me all that long and already I wanted to come.

"Let's do it together," she said. She climbed on top of me in a 69. If someone had asked me an hour earlier if I knew how to eat a girl out, I'd have said, "*Huh*?" But it was as natural as breathing. Liz tasted spicy-sweet, and she was so wet my whole face was glazed. She moaned and writhed.

"You're the best, Phoebe," she wheezed. Her body quivered, and with a hot little splash she came all over my face. I came, too, my insides blooming up and bursting.

I felt weak. My pussy throbbed. We listened to Widespread Panic and finished our joint, and I felt totally content, like I'd found my new best friend and all was well in Tennessee.

So I have to tell the truth—a few weeks later, when Liz introduced me to Luke, this sculptor guy who makes, like, weird medieval-looking birds with iron and stained glass, I felt a little jealous. Inside I was thinking, What, so this is your new boyfriend? All huffy. Liz wanted me to go to some huge party with her and Luke that night, and I was all mad because I was going to be the third wheel and probably just want to die, but I went anyway.

The party was on a lake and there were all kinds of people there—cool freaks like Luke and Liz, but also a bunch of the snooty beautiful peo-

ple from school. Like, this one girl Shannon White who looks like Jessica Simpson was there with all her admirers, totally trying to slum in some bohemian print dress she probably paid $600 for from the Anthropologie catalog. The jock-y boys from school were all drooling on her but some of the real hippie dudes were, too. I was just like, "This is a nightmare."

I huddled in front of the bonfire, feeling sorry for myself, drinking beer and watching Liz and Luke act like the biggest lovebirds ever known to man. I wanted to cry out, "Liz, I thought you were my friend!" But instead I just sulked and decided I was ugly and would die alone. Then, like some kind of hallucination, this buff Great High basketball player guy came over and sat next to me.

"Hey." He must have been like six and a half feet tall and had cream-and-coffee-colored skin like maybe he was mixed. Jocks are so not my type, but he was insanely hot, and I was like, Why is this guy talking to me?

"I'm Josh." He handed me a fresh beer.

"Phoebe." I took a big swig.

"You just moved here, right?" He had huge dark eyes.

"Yeah." I guess that was my cue to tell him my life story, but I was like some dumb mute and couldn't think of anything to say.

"I noticed you right away."

That threw me off. "Why?"

"Why? You're gorgeous!"

I looked at him like he'd just fallen off the crazy train. "Didn't you used to go out with *her*?" I pointed my beer at Shannon White. I was new to school, but it didn't take long to figure out who was dating. "Weren't you guys a couple, like, last week?"

Josh's eyes darkened. "She's a bitch. Shallow, too." He paused. "People think *I'm* shallow, just judging me from how I look, because I'm an athlete. But I'm actually pretty deep. I read a lot, and I love the Grateful Dead."

"*Really*?" I was totally infatuated with this Deadhead back in Oregon, but he didn't look anything like Josh, and he was, like, almost 30.

I was beginning to feel more comfortable. Josh was so cool and easygoing. Maybe it wasn't so strange that he was talking to me. Or maybe it was just the beer. I think by then I'd had three.

"You up for some skinny-dipping?" Josh asked, all blunt, not even working up to the question or anything. And like it was no big deal I replied, "Okay." By now Liz and Luke had disappeared and were probably humping in the bushes, but I didn't care, because for the moment it was all about Josh and me. We jumped into the lake.

The water was warm, and the wetness made me horny. Josh wrapped his slippery arms around my waist. I wondered if I was being slutty because we'd only just met, but I let him kiss me anyway.

Josh's tongue was hot in my mouth. My hard nipples pressed against his smooth chest. He cupped my butt and squeezed my cheeks. There were tons of people swarming around the shore and a pretty big group of naked people in the lake, but it was dark except for the moon and the bonfire and anyway who cares who could see?

Josh was hard. His boner thumped against my thigh. I wrapped my hand around his cock and jerked.

"Do it, baby," he moaned, pushing two fingers into my pussy. I cupped his balls and stroked him firmly. He threw back his head. "Suck it," he wheezed. I said okay but I couldn't breathe underwater, so he scooped me out of the lake and we splashed into a wooded area thick with trees. I licked and sucked Josh's dick like we were the only two people there, the only two people in the world even.

"Let me see those titties." He tugged at my nipples and batted my boobs. We crashed into each other and rolled around in the grass. My pussy was soaking wet. I was ready to go ahead and put his cock inside me even though it's kind of bad to go all the way on a first date. Like animals in heat, we mashed our crotches together and squirmed and huffed, until suddenly we were shocked out of our delirium by a piercing scream.

"You fucking prick!" Shannon White had found our hiding place. She stood over us, looking drunk, her impossibly long, blond hair wild, her blue eyes rolling. Josh sat up on his elbows and regarded Shannon with a smirk. Shannon looked stricken.

"You told me you loved me, and now you're down here catching crabs from this skank!"

"Hey!" I protested.

Shannon turned her tear-stained face to me. "He's a man-whore. He makes you feel special and then—" She dissolved into sobs. I felt bad.

"Dude, I'm sorry." I clambered to my feet and

Storemags.com

draped an arm across Shannon's heaving shoulders. I forgot for a second I was naked, and I guess Shannon wasn't overly concerned either. She buried her face in my neck and cried like a baby.

It was the most bizarre scene. There I was, caught in the middle of a lovers' quarrel—not just any lovers, but two of the hottest, most popular people at Great High. There I stood in the woods, stark naked, a skinny, sax-blowing, Birkenstock-wearing freak. I was about to break into hysterical laughter when I realized Shannon had her hand on my booby.

"I-I'm sorry," she snuffled, dropping her other hand to my butt and petting my cheek tenderly. "I don't mean to take my frustrations out on you. I mean, you're just the weird new girl from Montana."

"Oregon," I explained.

"Right," she drawled. "Polly from Oregon." She pulled me closer by my butt cheek. "We don't need Josh, do we? Or any guys, for that matter. Isn't that right, Polly?"

I didn't feel like telling her my name was Phoebe. The real issue was, why was the great hot blonde of Great High my new best friend and now stroking my pussy? Josh was all casual and smiling like Shannon did this kind of thing regularly.

"What would you want with my boyfriend anyway?" Shannon asked, flicking her thumb against my clit. "Everybody knows you're queer for Liz Hanes."

"*Buh*—" I sputtered. *Had Liz told people about her and me?*

"Don't sweat it," Shannon dismissed my concern with a wave of her French-manicured hand. "Everybody knows everybody's business at Great High. I'm surprised you haven't heard about me. I'm quite the muff diver in my spare time." She giggled and pushed her finger into my coochie. "Don't worry, Polly. Liz won't mind. She's too busy fucking that hairy old hippie guy anyway."

Shannon was like an evil, beautiful teen queen that had stepped out of a made-for-MTV movie. I was convinced I'd fallen into a tripped-out dream, or that someone had slipped me some LSD.

Shannon dropped to her knees and buried her tongue between my pussy lips. I moaned, confused but turned on in a serious way. I clutched a handful of Shannon's golden hair to keep from falling. Her mouth made loud slurping sounds as she licked me. I felt dizzy. I stared down her dress and watched her huge boobs wiggle like water balloons. Josh pulled his dick feverishly.

"Come beat it on us, sugar," Shannon mumbled around my crotch. She dug her fingers into my ass and pushed her face deeper into my puss.

Josh stood beside me and shook his cock over Shannon's head. Shannon pulled her heavy tits out of her dress and shook them with wild enthusiasm, like *Girls Gone Wild* was filming. "*Wheee*!"

She pulled me to the ground and continued to tear into my poon, shoving her ass skyward and beckoning Josh. "Don't you want to fuck me, baby?" she cooed.

"Let me lube up first." He stuffed his dick into my mouth. I sucked and slurped until his dong was dripping. He crouched behind Shannon and sank his hard-on into her pussy.

"*Ungh*!" she grunted, clamping her mouth over my cooch. It felt like a soft, wet vacuum sucking an orgasm right out of me.

I wailed, shuddering. My vision swirling and blurry, I watched Shannon's boobs rock and jiggle as Josh slammed her from behind, gritting his teeth. She dug her fingers into the ground and moaned. With a roar, he pulled out and whipped Shannon around just in time to shoot a wad of jizz in her perfectly proportioned, unblemished face. We collapsed together, all three in a perfectly straight row, arms at our sides, staring at the stars and laughing.

Back at school on Monday, Shannon and Josh were officially together again in full swing, traipsing through the halls like homecoming queen and king. I didn't tell Liz about my experience with the couple, but I guess Shannon was right about people knowing your business at Great High, because Liz found out anyway.

"Jeez, Phoebe," she scoffed. "Shannon and Josh are like sexual predators or sociopaths or something. And since when do you hang out with *those* types of people? They're, like, the opposite of everything we stand for. I mean, why don't you just start hanging out at the mall and wearing Abercrombie?"

Honestly, I think Liz was just jealous more than anything. Even if she has a boyfriend now, I think she's pissed about the idea of sharing me with anybody. Whatever. I mean, I don't see what's so wrong with having friends like Josh and Shannon anyway. It just shows I can get along with all different kinds of people, and that totally rocks, don't you think? ★

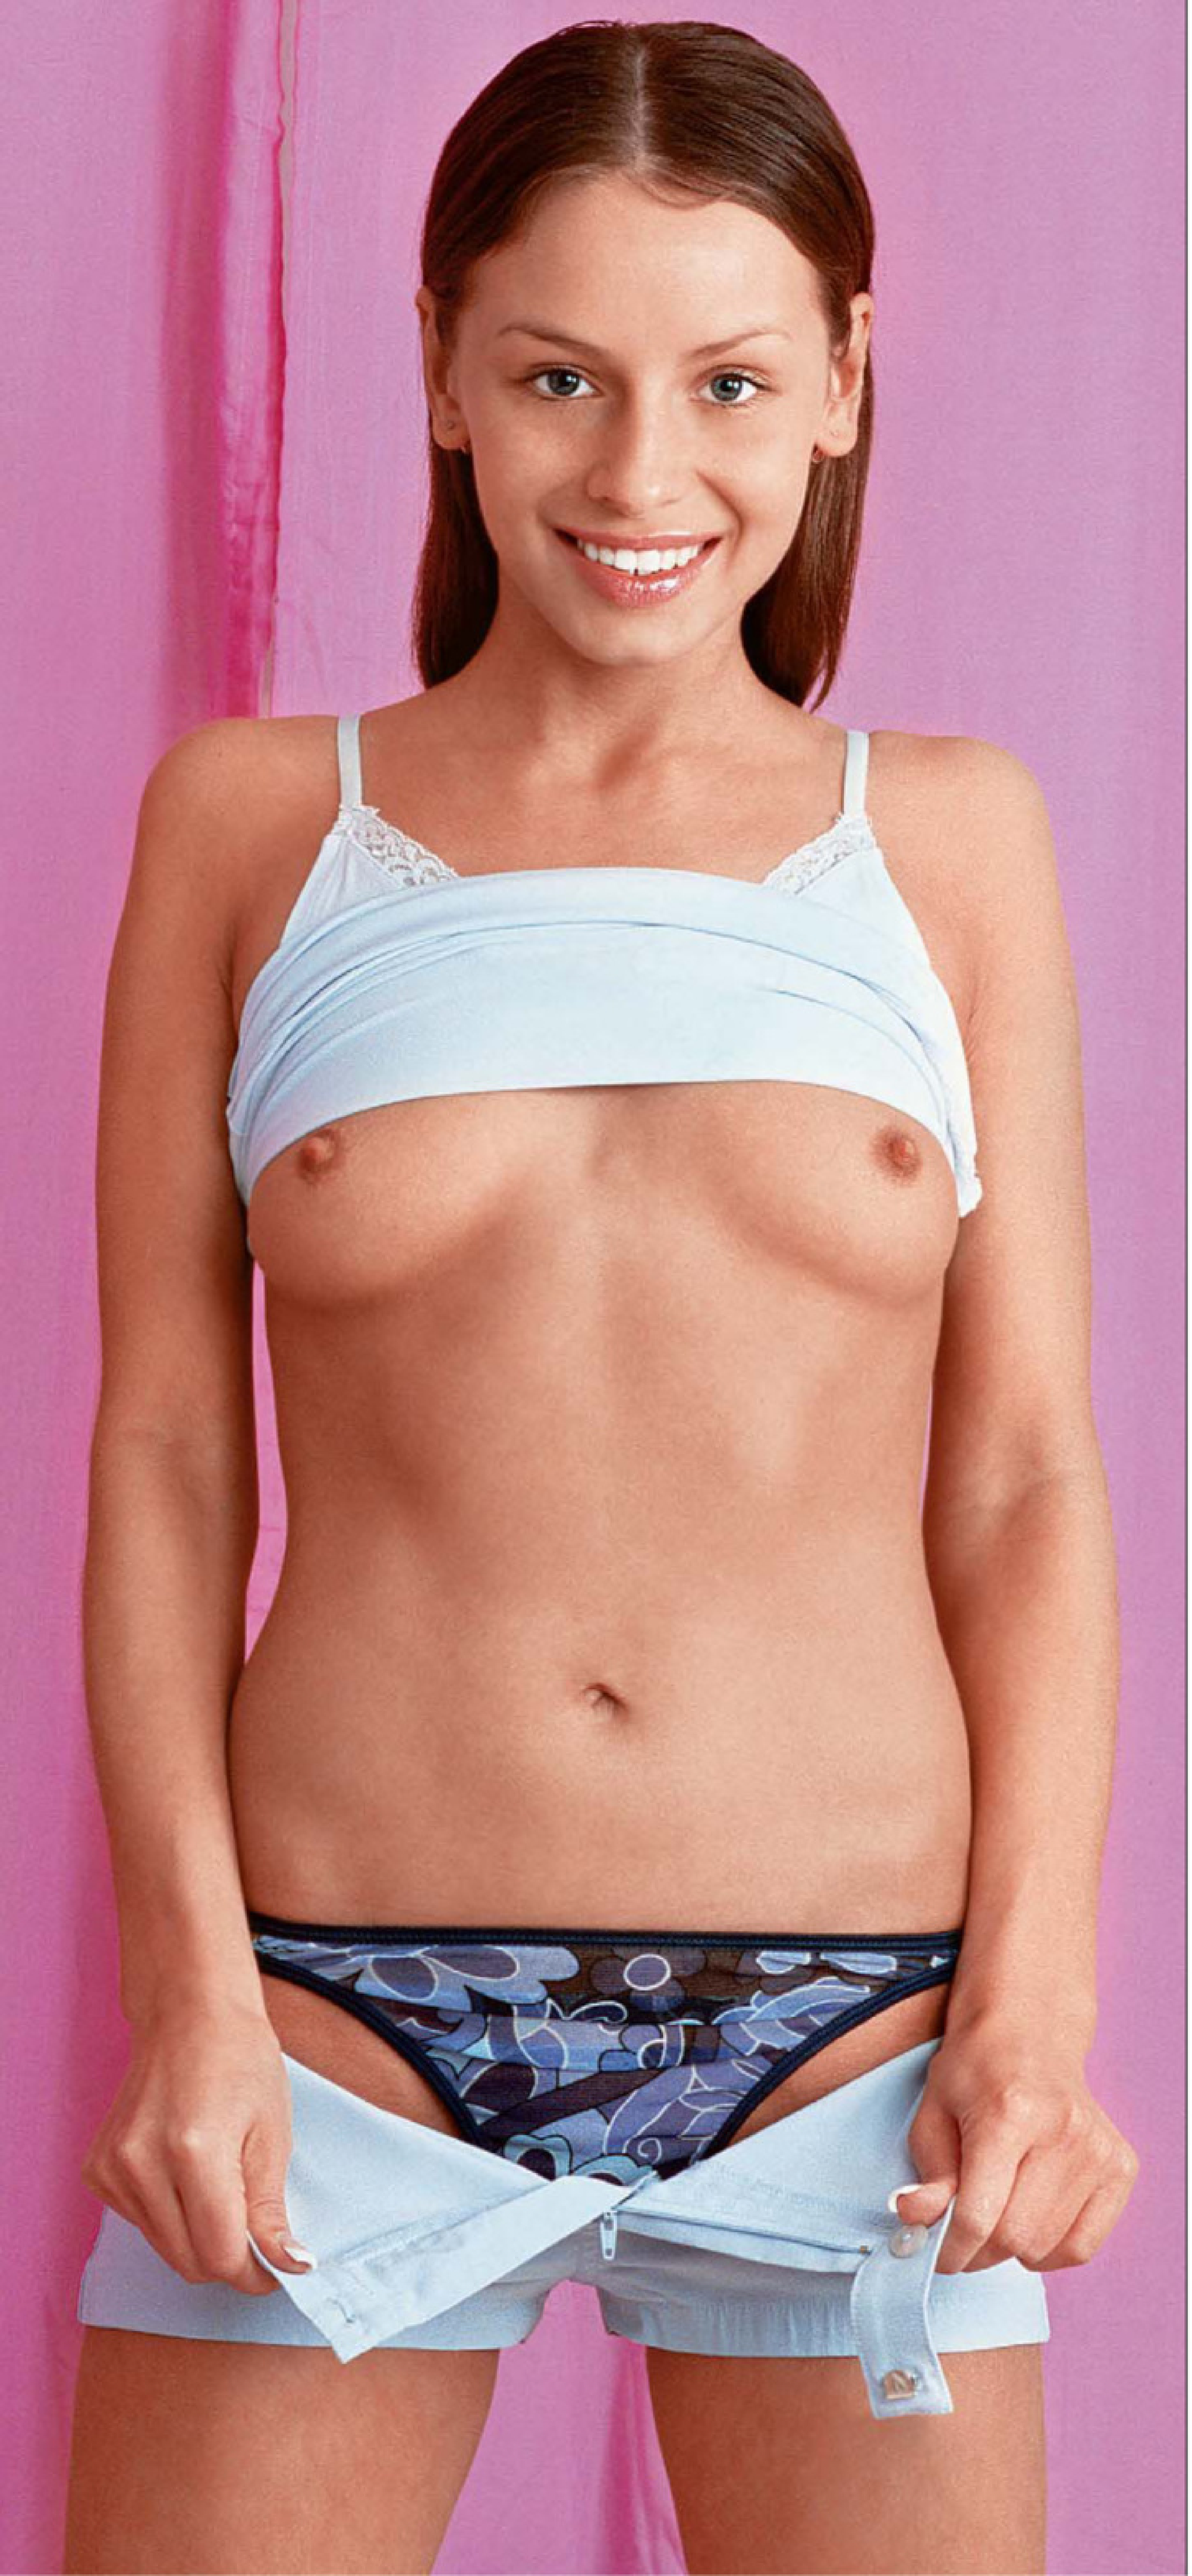
MADISON

I'M NOT *THAT* NICE

photography by e.i.p. studios



Age: 18
Height: 5-2
Weight: 101 pounds
34B-24-34
Hometown: Minnetonka, MN

Hey, gang. Sophie the intern here. I'm stoked to see Madison again so soon. She was in our September 2006 issue with her best girlfriend Illona. Now she's flying solo in hopes that guys will notice her more without Illona's ginormous boobs in the way.

sophie: What's up, Madison? Good to see you. How's Illona?
madison: She's good. We're still friends with benefits, but I don't want people to get the wrong idea. I'm totally into guys.
sophie: What's new with you since last time?
madison: Nothing! I've gone an entire semester without a boyfriend.
sophie: So, besides doing it with Illona, you haven't had sex in four months?!
madison: I didn't say that! But, yeah, usually I'm just sitting on the couch at home by myself while Illona is out with her latest guy.
sophie: What do you do with your free time?
madison: Masturbate, mostly.
sophie: What's your masturbation style?
madison: I like to rub my clit really fast in, like, a circle. I want to get a vibrator, but I'm too embarrassed to buy one!
sophie: What's your deepest, darkest secret?
madison: That's tough. I share everything with Illona—except, she doesn't know that one time I gave her date a blowjob.
sophie: You're so bad!
madison: What? It's not like I slept with him! He came over looking for Illona, but she wasn't around, so....
sophie: What kind of guy are you looking for?
madison: Honestly? Between you and me, Mr. Right Now! I want a man who will do me hard from behind and let me be his blowjob queen. I don't suck at BJ's, but I could definitely use more practice.
sophie: And you can't find a guy to volunteer his services?
madison: No! I think it's because I'm from Minnesota, and I'm just naturally super nice. My guy friends don't see me in a sexual way at all.
sophie: They will once they see this layout!
madison: I hope so! I don't want to be, like, the campus slut or anything, but I'm a whole lot wilder than I look. ★

TWENTY

PART NINE

©1999 by Last Gasp. All rights reserved.

Hey, it's Lindsey. Check out our cool comic! It's set in the future, during a sexual revolution, and it tells the story of a sheltered 18-year-old girl named Twenty. After Twenty's parents are tragically killed, her guardians take her out of convent school and send her to a new school, Cliffords, to get a sexual education. Soon Twenty marries Gilbert, a mysterious older guy who is always, like, testing how far she'll go sexually.

In Part Nine, Twenty tells her best friend Mandy how Gil lent her to his kinky, four-eyed friend Henry—who then auctioned Twenty off to a bunch of horny guys!

This collected story is available in book form from Last Gasp, P.O. Box 410067, San Francisco, CA 94141-0067 or www.lastgasp.com. Age statement required.

Age: 19
Height: 5-5
Weight: 110 pounds
36C-22-36
Hometown: Topeka, KS

Hey, it's Megan the intern. I love hanging out with BARELY LEGAL girls at photo-shoots, 'cause I always find out at least one secret from them. Now I know that college freshman Erica bops around campus wearing super-short skirts and "somehow" manages to drop her books at least once a day.

"I'm just really into my heinie," she giggles. "And I like to see guys' reactions."

Hmm—I'm guessing their reaction is, "I'd like to stick my dick in *that*!" How about it, Erica? You're missing out on a super-fun activity!

Favorite sex position: Every one!
"I hate/like/love oral sex." Like, because it feels good, makes me want the guy bad!
"When I give head I'm a spitter/swallower." Spitter. I don't know why, really. Just am.
"I hate/like/love anal sex." Hate. I don't want things going in where they don't belong. :) No way, man!
Where do you like a guy to come? Inside me. It's just so sexy.
Turn-ons: Good-smelling guys (cologne), smart, honest.
Turn-offs: Smelly guys, fake.
Are you bisexual? No.
Have you ever had sex in public? Yes, in high school at the softball field after practice. It was great!
What kind of men do you like? Good-looking, honest, smart, good sense of humor, nice.
What kind of women do you like? Women are sexy, but I don't want them like that.
Do you wear panties? Yes, sexy, cute ones.
Do you enjoy exposing yourself in public? Not really, it's not my thing too much.
What is the sluttiest thing you've ever done? This, posing naked.
How often do you masturbate? Once or twice a week.
How do you masturbate? Vibrating toys/dildo.
How do you like to be fucked? Every way.
How can a lover best make you come? Just completely focus on my sensitive areas.
What is the best part of your body? My butt, it's so cute.
Have you ever fucked a stranger? No, not into that.
What's the best way for a man to pick you up? By just being normal. No crazy pickup lines. Regular conversation.
Describe your dream date: Someone who is hot, honest, focused, with a great sense of humor. As a date something simple like dinner and a movie.
Describe your ultimate sexual fantasy: To be with two guys at once.
What's the absolute best sex you've ever had? When I was away from my guy for several months, we woke up in the middle of the night having amazing sex.
Did you like posing nude? Yes, it makes me feel sexy. ★

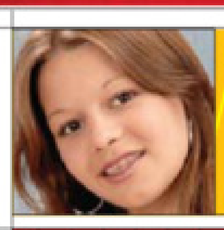
BARELY LEGAL BOX OFFICE



WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, SUKI.

SENSATIONAL TEENS #2

★★★★

Metro Interactive/Badass Pictures. Directed by Skeeter Kerkove; starring Hillary Scott, Tiffany Holiday, Saana, Rachel Love, Janet Alfano, Otto Bauer, Chris Charming, Alberto Rey, Pascal, Bad Bob and Ben Brat.

One of these things is not like the others: roses, hugs and kisses, puppies, sweet nothings and *Sensational Teens #2*. Not that there's anything wrong with all-out butt sex, but it could have been *soo* much sexier. Like, I *love* Hillary Scott. She was awesome in *Britney Rears #3*. But in this movie I spent more time looking at her butthole than her totally cute face. The high points for me were Rachel Love and Tiffany Holiday. Rachel is so hot, and she's so into it. She just loves sex, and it shows. The director guy, Skeeter Kerkove or whatever, is kind of weird. He literally kisses every girl's ass. But it's cute how excited he gets. The cast is so awesome that I guess I was just hoping for something that would blow me away. The sex is as rough as can be, but that's not always a good thing. Like, to me, one of the hottest moments in the whole movie was just watching Rachel's butt hang out of her way-too-short skirt as she walked around. But if you're into rough butt sex and stuff, *Sensational Teens #2* is made for you.

LAME, BUT BETTER THAN DOING HOMEWORK. ★

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

THE BARELY LEGAL BOMB! ★★★★

Saana's jeans really ride up.

It takes two for Tiffany.

Rachel's ready to go.

IT'S A DADDY THING!

Elegant Angel. Directed by Patrick Collins; starring Lela Star, Naomi, Mya Mason, Veronica Jett, Charlotte Stokely, Dave Cummings, Mick Blue, Roscoe Bowltree, Hershel Savage, Dick Nasty and Uncle Bud.

There's something so wrong it's right about *It's A Daddy Thing!* Don't worry, it's all in good fun. These girls just dig older guys. All the girls are 18, and no actual daddies were harmed in the making of this picture. But the great thing about it is how totally into it the girls are, especially Charlotte Stokely, Veronica Jett and Naomi. Charlotte is so sexy that I was totally captivated for her whole entire scene. There's an awesome scene where Dick Nasty tickles Veronica until she pees her panties. And Naomi has the best booty in the world. She has wild sex with two guys, and one of them is old enough to be her grandpa! Lela Star's scene was, like, the hottest—and all she does is masturbate and give some guy a blowjob! But it's *soo* sexy the way she does it. Plus, it doesn't hurt that the sweet little Latina has a great bod with surprisingly large boobs. I was worried that *It's A Daddy Thing!* might be too weird for me, but I was blown away by how hot it was. The girls are beautiful, and they have so much fun, it's infectious.

Veronica has a point—or two!

Charlotte says hello to my little friend.

Half of Lela's weight is in her boobs.

Naomi's butt gets all the attention.

Lela braces for impact.

TAMARA

SEX IN WEIRD PLACES

StoreMags.com

Age: 18
Height: 4-11
Weight: 98 pounds
32B-24-32
Hometown: Tallahassee, FL

Hey, guys! What's up? I'm Tamara. I know the top of a desk doesn't look like the most comfortable place to pose for naked pictures, but this desk has a special place in my heart—it's where I finally lost my virginity!

We *could* have done it on the bed like normal people, but my boyfriend thinks it's *soo* hilarious that I'm all tiny. Like, he loves it when I climb inside the clothes hamper and close the lid and then jump out and surprise him. For his birthday, he wants me to jump out of a cake. But I think he'll like my surprise better—I'm gonna let him put it in my ass!

I think it's totally kinky to do it in weird places—I mean the desk, not my butt! It's so spontaneous and naughty. It totally heightens the experience. Just be sure to remove all the paper clips first! My friends and me have this ongoing sort-of-a-bet thing to see who can do it in the weirdest places. Mine is in the main library on campus. I had to do this boring report for history class, but luckily I had a cute partner. We were in a totally empty part of the library, and he was so horny that we just did it right there!

I guess you could say I go to a party school. I spend more time having sex than actually, like, studying or whatever. Thank God they give us a bazillion free condoms. I'd be broke if I had to pay for them all!

That's why I like giving blowjobs. You don't *really* need a condom for that. I'm really good at handjobs, too. But you can't just give a guy a handjob. He'll think you don't like him or something. That's why I'm saving butt sex for my boyfriend. I want him to know how special he is to me—and the best way to do that is to give him my butt cherry! ★
